Soul Motion™; Begin Again, Dive Deeper

John William Johnson
October 29 - November 1

We gather together to access our love of movement. In a safe and supportive environment, we are reminded how sweet it is to move alone and with others. A whole world emerges. We come together to hear the voice for Spirit as it pours forth from each of our bodies in the elevated breath and sweat of our souls in motion.

Each and every One of us is being called! Step up and answer the call of the Soul in Motion. Dive inside and find what your body wants and needs, then come out and be with others. Experience the power of dancing in a tribe, where your presence is the only requirement. Sense movement as prayer, meditation and creative expression.

vinn marti has designed Soul Motion as a movement ministry and John has been practicing Soul Motion since its inception. Your participation will enhance your life and change the way you move.

John William Johnson has been dancing since 1976. He is most comfortable moving; that is where he feels most at home. He has taught dance all over the US and Canada. He is also a Board Certified Psychotherapist, Massage Therapist, and CEO.
